Name:		Contact number:
Some tips from the Town of Victoria Park to reduce barking:		
<ul style="list-style-type: none"> • Restrict dog's vision through fences and gates • Keep your dog at the back of your property, away from passing traffic • Take your dog for regular, daily walks • Leave your dog with toys and things to play with when you are away from home • Provide enough shelter, food and water for your dog • Consider training/retraining • Seek advice from your vet or an animal behaviourist <p>In the spirit of being neighbourly and promoting open communication, your neighbour has provided this information to you with the aim to raise your awareness of the situation, and respectfully ask you to remedy it. This card has been provided by the Town of Victoria Park Ranger Services.</p>
