## Street Meet 'n' Greet

25 Ideas for Things to  
do with Your Neighbours

When you apply for a grant through [vicpark.info/streetmeet](http://vicpark.info/streetmeet) and get to know the people in your street!

- 1 Host a BBQ
- 2 Organise a picnic in a local park – you can even hire the Town's blender bike to make delicious pedal-powered smoothies as a part of your event!
- 3 Have a front lawn sporting match (e.g. front yard cricket, bocce or quoits)
- 4 Get some boxes of chalk and have the children in the street decorate the footpaths (if safe to do so!)
- 5 Hold a gardening day to help each other with yard maintenance

- 6 Get the neighbours together to watch a sporting match on TV and bring refreshments
- 7 Build a street book exchange/little library for locals to swap books, magazines, jigsaw puzzles or board games
- 8 Organise a neighbours' lunch: invite every house on the street and ask them to bring a plate of food to share
- 9 Hold a street verge planting day (check out the Town's Adopt a Verge program)
- 10 Start a walking group. This could be a parent's walking group with kids a prams, a dog walking group, exercise group, or bike riding group

- 11 Start a neighbourhood chat on social media (e.g. WhatsApp, Facebook Messenger or similar)
- 12 Organise a street treasure hunt and finish up with some food
- 13 Hold a street ice cream party – each household brings a different flavour tub of ice cream!
- 14 Front yard movie night! Set up the TV (or projector if someone has one), grab some chairs and blankets and make some popcorn
- 15 Create a communal street compost or worm farm for everyone's vegetable waste. Some residents will need to take the lead on this one to ensure it is managed properly. Everyone can share the compost or worm juice that is produced
